

Data Protection and Confidentiality Policy

Effective as of 25.05.2018

This Data Protection and Confidentiality Policy describes how we collect, use, process, and disclose your information, including personal information, in conjunction with your access to and use of Sata Direct.

If you see an undefined term in this Data Protection and Confidentiality Policy (such as "Account" or "Card"), it has the same definition as in our Satabank General Terms and Conditions of Business or other legal documents regulating Sata Direct to all of which this Data Protection and Confidentiality Policy is inseparable part.

When this policy mentions "we," "us," or "our," it refers to the respective company, providing Sata Direct to the Client, under the above mentioned Legal Agreements, that is responsible for your information under this Data Protection and Confidentiality Policy (the "Data Controller").

For the purposes of this documents Sata Direct consists of products, services, content, features, technologies, or functions, and all related websites, applications and services offered to you by us or mobile apps, online platform, official social media platforms, or other online properties through which we provide payment and e-money services.

We give utmost importance to the protection of personal data of our customers. In the following Data Protection and Confidentiality Policy, we inform the Client about the collection, use and processing of your personal data when you apply, register or use Sata Direct and all functionalities, included in the Service, including our websites: www.sata.bank, www.sata.direct, our Mobile App, Bank account (current and e-money) and Cards.

For the purposes of providing online access to payment instruments, bank accounts and cards under the General Terms and Conditions of Business with Satabank p.l.c, the responsible Data Controller is Satabank p.l.c., Company number C66993, Registered office: Aragon Business Center, Dragonara Road, St. Julian, STG340, Malta. (referred to as Satabank p.l.c., Malta);

Where one of the abovementioned entities is specified as responsible Data Controller we inform you that the other entities specified above are acting as Data Processors of the Date Controller and vice-versa. The ultimate liability lies with the respective Data Controller and you should address all your questions to the respective Data Controller via the contact details specified below.

Sata Direct is designed for personal and business purposes and may be used by individuals or entities. In case you are registering for and/or using Sata Direct on behalf of an entity we will treat you as authorized person and you may be obliged to disclose to us personal data of the legal representatives, the employees, the agents, the beneficial owners or any other third-part related to the entity pursuant to the rules described below. You certify that where you have provided information regarding any third person beside yourself you have received prior consent from that other person to provide their personal information to us.

Not a Framework Contract: For the avoidance of doubt, this Data Protection and Confidentiality Policy does not constitute a "framework contract" for the purpose of the EU Payment Services Directive 2 (EU) 2015/2366 or any implementation of that directive in the European Union or EEA (including, without limitation any national laws implementing the EU PSD).

1. What information we collect

You are informed that there are three general categories of information that is collected from you differentiated on grounds as defined by the Regulation 2016/679 and other applicable data protection national laws.

1.1 Information That We Collect In Order To Perform Our Legal Obligations and In Order To Provide Sata Direct As Part Of Our Contract With You

We ask for and collect from you the following personal information when you use Sata Direct.

This information is necessary for us to comply with our regulatory obligations and for the adequate performance of the contract between you and us. Without it, we may not be able to provide you effectively Sata Direct for which you register.

(1) Registration and Use of Account Information.

And other data which we may choose to collect in our enrol forms, which is necessary for your identification and verification.

(2) Identity Verification Information.

In accordance with our legal obligations under the relevant Anti-money laundering and anti-terrorism financing regulations, we are obliged to verify your identity or the identity of the authorized user who is opening the Account (in case of company or other entity, referred to as "user opening the Account").

We comply with this legal obligation by means of online-based Video Identification Chat ("video call") and other procedures for verification in compliance with applicable AML laws. The Video Call is conducted by the employees of iCard AD, Bulgaria licensed as E-money institution, James Bourchier 76A, Sofia, Bulgaria or by employees of iCall EOOD, Company number 204259408, with Registered office Business Park Varna No B1, Varna, Bulgaria, which act as a sub-contractor to us for the purposes of customer support and to which you agree to provide your personal data. We shall provide a secure video channel and the necessary level of direct visual communication connection with the mobile device of the Client or user opening the Account via Mobile App. To achieve the effective execution of the Video Identification Call you or the user opening the Account must give us access to the camera of the mobile device. During the video call, in order to fully comply with the relevant Anti-money laundering and anti-terrorism financing regulations, we must take:

- photographs of the user registering for Sata Direct; and
- photographs of the principal page of your or the user opening the account's passport or of the front and rear sides of any other official ID document.

For the same purposes you or user opening the Account you might have to allow us to download and read the chip embedder in the Passport/digital copy of the Passport (referred to as ePassport) if applicable. The personal data stored in the ePassport or other official ID document will be read and encrypted via NFC technology.

(3) Tax information.

In order to comply with CRS/FATCA regulations, we are required to collect your Tax Identification Number ("TIN"), Country of Tax Residence and status (active or passive business). We might be required to disclose this information to its supervising tax authorities.

(4) Risk and Fraud related information.

In order to comply with relevant Anti-money laundering and anti-terrorism financing regulations we collect personal data regarding you, such as demographic data or fraud detection information, from third party service providers and/or partners, and combine it with information we have about you.

For example, we may receive background check results (with your consent where required) or fraud warnings from service providers like identity verification services for our fraud prevention and risk assessment efforts. We may receive information about you and your activities on and off Sata Direct through partnerships, or about your experiences and interactions from our

(5) Source of income, annual estimate over the account, business activity details.

In order to comply with relevant Anti-money laundering and anti-terrorism financing regulations we collect personal data regarding you related to your sources of income and any other similar financial information about you which would help us prevent money laundering and/or terrorism financing.

(6) Payment Card-related information.

We collect information about your payment cards, which we have issued to you or which are issued to you by third-party issuers and are linked to your account. The information may be as follows: address of delivery of card, card number (PAN), issue date, expiry date, IBAN or other payment account identifier to which card is linked to, currency, card transaction data, spending limits, expired cards' details, SMS or other communication which the cardholder has received or has initiated with us, card status history, date of activation, linked cards or duplicates.

(7) Log data and device information.

We automatically collect log data and device information when you access and use Sata Direct, even if you have not created an Account or logged in. That information includes, among other things: details about how you've used Sata Direct (including if you clicked on links to third party applications), IP address, access dates and times, hardware and software information, device information, device event information, unique identifiers, crash data, cookie data, and the pages you've viewed or engaged with before or after using Sata Direct. We collect this information in relation to our legal obligation to provide you with secure methods of controlling your financial assets and your personal data.

(8) Payment Transaction Information.

We collect information related to your payment transactions through Sata Direct for example when you make purchases from merchants, you receive money transfers, you accept card payments, we process payments executed by you, or you send money to friends and family.

The payment transaction information may include the payment instrument's details used, date and time of transactions performed by you, amount of payment transaction, payment instrument expiration date and billing postcode, email address, IBAN or other account identifier information, your address and other related transaction details.

This information is necessary for the adequate performance of the contract between you and us and to allow us to provide you effectively the e-money and payment services.

(9) Participant information

When you use Sata Direct, we collect Personal Data you provide us about the other participants associated with the transaction. Particular payment transaction information may include:

- **Send or request money:** When you send or request money through our service, we collect Personal Data such as name, postal address, e-mail, telephone number, and financial account information about the person who is receiving money from you or sending money to you. The extent of Personal Data required about a participant may vary depending on the Services you are using to send or request money.
- **Add value to your accounts:** If you use any of the functionalities of Sata Direct to add value to your Account or any other account you may have, or if you ask a third party to add value to any of these accounts, we may collect personal data from you about the other party, or from the other party about you to facilitate the request. For example, if you use Sata Direct to reload a mobile phone, or to request value be added to your mobile account, we may collect Personal Data and other information including mobile account number from the other participant.
- **Money transfers to or from other Financial Institutions:** If you use any of the functionalities of Sata Direct to transfer money to accounts held with other Financial Institutions we may collect personal data from you about the other party, or from the other party about you to facilitate the payment transaction, or provide the other Financial Institutions with your Identity verification information. This is our obligation under Regulation 2015/847.

1.2 Information That We Collect With Your Consent

In this event, we will notify you before your personal information is transferred to a different legal person and/or becomes subject to a different privacy policy.

3.10 Customer Authentication

We may share your personal information with LeuPay Ltd., Company number 10785565, with Registered office 20 Kentish Town Road, London, England, NW1 9NX, UK and iCard AD, Bulgaria, in relation to the customer two-factor authentication, required under the PSD2 laws, via technical tool Gate Keeper - mobile application that facilitates the strong customer authentication.

4. Your rights

You may exercise any of the rights described in this section before the respective Data Controller pursuant to the Legal Agreements by sending an email from your e-mail registered for Sata Direct to the respective Company providing the Service to you under the respective Legal Agreement stated below. Please note that we may ask you to verify your identity before taking further action on your request. Please note that upon receipt of your e-mail we shall try our best to provide you with the requested information and resolve your request in reasonable time, subject to all obligations which we or the related companies have under the applicable laws.

4.1 Managing Your Information.

You have the right to obtain the following:

- confirmation of whether, and where we are processing your personal data;
- information about the purposes of the processing;
- information about the categories of data being processed;
- information about the categories of recipients with whom the data may be shared;
- information about the period for which the data will be stored (or the criteria used to determine that period);
- information about the existence of the rights to erasure, to rectification, to restriction of processing and to object to processing;

- information about the existence of the right to complain to any Regulator;
- where the data was not collected from you, information as to the source of the data; and information about the existence of, and an explanation of the logic involved in, any automated processing.
- Additionally, you may request a copy of the personal data being processed.

4.2 Rectification of Inaccurate or Incomplete Information.

You have the right to ask us to correct inaccurate or incomplete personal information concerning you (and which you cannot update yourself via your online access to your Online account).

4.3 Data Access and Portability.

You have the right to:

- receive a copy of your personal data in a structured, commonly used, machine-readable format that supports re-use;
- transfer your personal data from one controller to another;
- store your personal data for further personal use on a private device; and
- have your personal data transmitted directly between controllers without hindrance.

In some jurisdictions, applicable law may entitle you to request copies of your personal information held by us.

4.4 Data Retention and Erasure.

We generally retain your personal information for as long as is necessary for the performance of the contract between you and us and to comply with our regulatory obligations. If you no longer want us to use your information to provide Sata Direct to you, you can request that we erase your personal information and close your Account, providing your Account is in good standing, not blocked or somehow limited for compliance, risk or regulatory reasons, or due to your outstanding obligation to us, court order, pledge or order by another regulator or other reason which prevent us by law to close your account or terminate the Service. In case the Data Controller is a regulated financial institution, such as credit institution, e-money institution or similar, such Data Controller is obliged under PSD and AML laws to keep your personal information and all transactions history for a period of 5 (five) years after the termination of the relation with you. Please note that if you request the erasure of your personal information:

- We may retain some of your personal information as necessary for our legitimate business interests, such as fraud detection and prevention and enhancing security. For example, if we suspend your Account for fraud or safety reasons, we may retain certain information from that Account to prevent that client from opening a new Account in the future. We are also obliged to retain personal data which we have collected for the purposes of complying with the relevant anti-money laundering and anti-terrorism financing for a period as defined under the applicable law.
- We may retain and use your personal information to the extent necessary to comply with our legal obligations. For example, Sata Direct may keep some of your information for tax, legal reporting and auditing obligations.
- Because we maintain Sata Direct to protect from accidental or malicious loss and destruction, residual copies of your personal information may not be removed from our backup systems for a limited period of time.

4.5 Withdrawing Consent and Restriction of Processing.

Where you have provided your consent to the processing of your personal information by us you may withdraw your consent at any time by changing your Online account settings or by sending a communication to us specifying which consent you are withdrawing. Please note that the withdrawal of your consent does not affect the lawfulness of any processing activities based on such consent before its withdrawal. Additionally, in some jurisdictions, applicable law may give you the right to limit the ways in which we use your personal information, in particular where (i) you contest the accuracy of your personal information; (ii) the processing is unlawful and you oppose the erasure of your personal information; (iii) we no longer need your personal information for the purposes of the processing, but you require the information for the establishment, exercise or defence of legal claims; or (iv) you have objected to the processing and pending the verification whether our legitimate grounds override your own.

4.6 Objection to Processing.

In some jurisdictions, applicable law may entitle you to require us not to process your personal information for certain specific
